Simple life provides all levels of freedom.  
Without it, the attention will be dispersed by  
the complicated styles and lines. The clear  
simplicity can surpass vision with the harmony  
of rationality and nature. Actually, any religion  
has the enthusiasm to simplicity, which is also  
the calm in the heart.

## QUALITY

The durability of DESON bathtubs has been certified according to international standards and are manufactured with pure acrylic sheets.

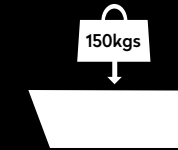

## FUNCTIONALITY

The pipes and assembly attachments of DESON bathtubs have been developed to ensure problem free use with special waste systems to prevent contamination and clogging.

## AGING TEST

The deterioration and abrasion resistance of the acrylic sheets used at DESON products is tested by a 5-year going test by (IAPMO R&T Inc. of USA)

## DURABILITY

DESON bathtubs are supported at 4 points. The strength of all products are measured with a durability test to withstand a weight of 150 kgs.

## HYGIENE

Hygienic acrylic sheets are used with all DESON bathtubs to ensure superior hygiene conditions.
